**SUMMARY
THE AMOUNT
OF 9201 ZL HAS BEEN GATHERED
14 STANDS FOR TABLETS AND A NAVIGATION
DEVICE GARMIN 660 HAVE BEEN PURCHASED**

So we have finished the fundraising. We have managed to gather 4751 zl on the FanMani platform, we have also received 800 zl more from benefactors and 600 Euros were transferred to the bank account of the Plast. Moreover, Natali Loza and 70 Olga Kobylanska`s kurin organized a fair so we were able to gather 810 zl more for our pilots. It`s marvellous!

The total amount from the fundraising is lower than was expected, however, we managed to purchase the equipment successfully. Thanks to <https://aeroequipmentflyshop.eu/> we received a significant discount on the stands for tablets. Also, during this time some of the pilots managed to buy themselves the overalls, only 2 more were needed. So we bought the navigation device GARMIN 660 additionally.
